

Rally report, West centre AGM.

The rally was held at Overton farm and we arrived early afternoon to be greeted by Eric and Linda.

The field, at the rear of a farm shop and restaurant, was flat and firm with easy access and beautiful views.

At the Friday opening all four vans were there, three West and one East, and we moved into Eric and Linda's awning for tea, coffee and snacks provided by the acting chair, Val.

Saturday dawned a lovely sunny day and the centre's AGM was held in Crossford village hall with a good turnout of members.

On our return to the field we were able to sit outside enjoying the sunshine and a few sherbets.

The evening social was held in the awning again with a few more sherbets and more snacks.

Sunday was a bit dull and damp but the local car boot sale was taking place in the adjacent field, it is advertised as the largest in Scotland but I think a few must have gone lost as there was only about fifteen stalls there.

All in all, an enjoyable weekend with friends in a lovely venue, it's just a pity more members did not support the rally.

Thanks to the marshals and the acting chairman.

Ian & Marion
